Dear Parents/Carers

**RE: Art, Food Technology and Design Technology Voluntary Contributions**

In many schools, parents are asked to contribute towards the cost of materials, resources and sketch books necessary for students to develop their creative skills using a wide range of materials and techniques to provide a rich and diverse experience for all students.

Parents, in contributing towards the cost of these materials and resources, enable the school to:

- provide a rich and diverse range of opportunities for students in Art, Food Technology and Design Technology
- ensure the provision of high-quality materials and resources
- allow the students the opportunity to take their work home and helps the students to value their work

We politely ask all parents of students in years 7, 8 and 9, to make a contribution towards resources for Art, Food Technology and Design Technology. The contribution amount is £5 per term (£15 in total) and will cover the resources they will use throughout the year. You will be asked to make an annual voluntary contribution throughout Key Stage 3. All contributions are **voluntary**. Please let us reassure you that no student will be disadvantaged in lessons if parents feel unable to make this voluntary contribution.

Contributions can be made via ParentPay at [www.ParentPay.com](http://www.ParentPay.com)

Please make your contributions by 22<sup>nd</sup> October 2024 to enable us to purchase resources.

Thank you in advance for your support in this matter, please contact us if you have any questions.

Yours sincerely

Shahnaz Aziz-Faez

Head of ADTV Faculty
